

PMCC Chairman's Report 2014-2015

We have had a good year, maintaining a variety of regular users and increasing the number of party and commercial bookings. We seem to have become the local venue of choice for children's parties. The Community Centre is operating on a sound economic footing.

The high standard of decoration in the centre has been maintained, with the replacement of the carpet in the foyer. We have also invested in the purchase of a professional standard scaffold tower, which will make maintenance and decorating more efficient both in time and expenditure.

The closed circuit television system has been upgraded, and there are plans to install some more cameras. Plans are afoot to begin the refurbishment of the toilets this year.

All of the current members of the Management Committee have agreed to stand again. We are still looking to find a replacement Booking Secretary. A big thank you to the members of the committee who have assisted with managing the bookings, particularly Alan Thirlwell.

We are fortunate to have such a strong team of volunteers willing to put in the time and effort to run the Centre so smoothly. We are under strength, however, and would welcome some new volunteers.
